Terms and Conditions/Rebate Assignment Authorization

I certify that I am an APS customer, at the address of the services provided for which I am applying for a rebate, and that I have read and understand all program requirements, terms and conditions. I also agree that the Contracting Company who performs any services on my property associated with this rebate application is solely responsible for the performance of their work. It is understood and agreed that the Contracting Company is not an agent, servant, or employee of APS. I indemnify and hold harmless APS its officers, directors, employees, agents, representatives, affiliates, successors and assign harmless from any liability cost, or expense, including reasonable attorney's fees and legal costs, arising out of or resulting from the contractor's performance.

I hereby authorize APS to pay any rebate I may be entitled to under the Energy Efficient Pools Rebate Program directly to the third party named below. I understand that I will receive no additional rebates or incentives from APS.
