# Pool Pump Rebate

*NOTE: All variable speed pool pumps must be calibrated after installation and calibration report must be submitted.*

**Rebate application and calibration report must be submitted within 6 months of pump purchase date (as per the invoice) to be eligible for payment.**

## Program Terms & Conditions

You must be an NV Energy residential electric customer.

Pool must be located in NV Energy's service territory.

Pump must be installed on a single family residential, in-ground swimming pool.

Pump must be a qualifying new unit (Rebuilt motors do not qualify).

Limit one pump rebate per household.

The program will end when funds expire.
